Perfect Fielding and Good Wielding of
the Bat Counts a Victory for Them
by the Score of 5
to 2.

Boston, July 10.—By superior stick work and perfect fielding, Collins' men took a game from Chicago yesterday afternoon by the score of 5 to 2. Their hits were aided somewhat by the ragged throwing of the White Sox men. Dineen pitched a good game for the home team, allowing but six hits.

The ex-Champions started out in the first inning and were never headed. In the first Parent bunted safe and when Owen tried to get Parent on Stahl's grounder, both were safe. Hoy sacrificed and Parent came in on Ferris' long fly. Godwin died out. Singles by Hayden and Freeman and Armstrong's out gave the locals another tally in the second inning. Still another came in the fourth, when Ferris doubled, Godwin sacrificed and Davis rumbled Hayden's slow roller.

The visitors got their first tally in the fifth on Davis' triple and Donohue's single. This was evened by Boston in the same inning on a pass to Armstrong, a low throw by Tammehill and a short lift by Stahl. The score was then 4 to 1 and the home team soon made it five in the seventh inning. Freeman singled and Davis' high throw to get him on Dineen's grounder, after Armstrong had gone out, put him on third. Parent's out brought Freeman in.

Two singles and an out gave the visitors their second tally in the eighth.

OLD LOVERS ARE TO MARRY SOON.

Meredith, N. H., Society Woman and
Man of Years Ago Announce
Engagement.

Meredith, N. H., July 10.—A pretty romance, very interesting to local people, has just come to light in the announcement of the engagement of Miss Eva Beede, only daughter of John W. Beede, and the Rev. Willis P. Odell of Germantown, Pa.

More than twenty-five years ago Miss Beede was a student at Tilton seminary and Mr. Odell, then of Tilton, was her warm admirer. But for some reason not disclosed to the public the affair was broken off, and later Mr. Odell was married and moved to Pennsylvania, where he has a pastorate that pays him \$5,000 a year.

In the meantime Miss Beede studied, became a teacher of English science and literature, Latin, French and German, traveled a good deal through the United States, went abroad, taught for some time at the seminary in Montpelier, Vt., and finally settled down at her old home, helping her brother, J. F. Beede, in his business, and doing a great deal of work in the church and Woman's club, of which she is now vice president. She has also done a great deal of literary work in the way of writing poems, stories and essays, contributing frequently to newspapers and magazines.

About a year ago Mr. Odell, whose wife had died seven years previously, came to Meredith and upon invitation of Miss Beede's brother, made the family a visit. The old friendship was renewed, and this year at the time of a second visit, the engagement has been announced.

THAW AND WHITE RIVALS

Chorus Girl Tells of Pursuit
of Evelyn Nesbit

BY THE TWO MEN

Prisoner Like a Maniac, Is the Testimony Given—Different Ones Tell of Incidents in Career of the Two Men.

New York, July 10.—The lawyers who have been handling the case for Harry Kendall Thaw since he killed Stanford White the noted architect, practically decided yesterday afternoon not to permit the young Pittsburgher to come to trial, but to apply immediately for a commission in lunacy to examine him as to his sanity.

The investigation of the district attorney's office to discover the motive for the killing of Stanford White by Harry Thaw is being to the office of the prosecutor many young women of the stage. The Broadway theatrical district has been flooded with subpoenas. Many chorus girls have left the city, and others remain at their homes to avoid the subpoena servers.

Two young women whom the district attorney's office has been particularly eager to interview are Miss Paula Desmond and Miss Gertrude Grant. It is alleged that they were followed and annoyed by detectives who had been employed to watch White.

Paula Desmond, whose real name is Pauline Kellerman, is now at her home in Kingston, N. Y., and a representative of the district attorney has gone to see her. Miss Grant has been abroad for some time, but returned last Saturday.

The activity in running down all those in the theatrical district is largely due to the story told Asst. Dist. Atty. Garvan by Edna McClure, a show girl and former friend of Mrs. Thaw. Miss McClure said that when Evelyn Nesbit was in the "Wild Horse" company, both Stanford White and Harry Thaw were pursuing her. There were two tabs at the stage door for her every night, and two bunches of flowers. White won at that time, and he took the girl from the stage and sent her to school at Pompton, N. J. She was taken ill while there White sent her and her mother to Europe.

Harry Thaw learned of this and went abroad. He met the girl in Paris, and Evelyn went with him, leaving Mrs. Holman, the girl's mother, penniless in Paris. She had to cable White for money to get home. When she got home she went to White and told him of the treatment to which she had been subjected by Thaw and then it was that White took her to his attorney and had her draw up the affidavit, which is now so badly wanted by the prosecution.

Thaw followed her home, and after some time she rejoined him and they went abroad together.

Miss McClure said that Evelyn was on the point of leaving Thaw after a bitter quarrel when he offered marriage to her. Miss McClure also told the assistant district attorney that while entertaining a number of guests in a Broadway

restaurant one night Thaw saw White enter the place. He began to abuse White, says Miss McClure and said to his wife:

"There goes that blackguard now that owned you before I did."

Mrs. Thaw is reported to have answered:

"Stop raking up my past, Harry. That brute over there is responsible. Go to him about it."

"I will," said Thaw; "I'll get him yet."

Mrs. Legrand Mink, the mother of Edna McClure, was with her daughter at the district attorney's office yesterday. In speaking of the Thaw case yesterday, she said:

"Harry Thaw's hate for White was like that of a maniac. He seemed possessed of a consuming horror of White. It was plainly a mania with him."

The district attorney's office is also searching for William Sturgis, a close friend of Harry K. Thaw, who disappeared since the tragedy. It is reported that Sturgis had heard Thaw make threats against White.

SIXTEEN DROWN

Schooner Struck by Light-

FORCED ON THE ROCKS

Disaster to a Newfoundland Craft Near
Banks—Carried Crew of Fifteen
and Not One of Them
Escaped.

Sydney, N. S., July 10.—Sixteen lives were lost from the fishing schooner Stanley Joseph, owned by John Penny and Sons of Rampan, N. F., in a terrific gale which swept the banks a few days ago. The vessel was struck by a bolt of lightning, completely wrecking her, and in a disabled condition she was forced on the rocks and went down.

The schooner was commanded by Capt. Vallis, and carried a crew of fifteen all told, but not one escaped.

Particulars of the accident are meagre, the only word received here being a private message from Newfoundland, which stated that the disaster occurred during a heavy lightning storm.

The schooner was some distance from the banks. She was well known here, and some of her crew, who were nearly all married and leave families at Rampan, had friends in North Sydney.
